

About Music Choice

Music Choice is the premier multi-platform music network available via Satellite or Broadband delivery with up to 52 channels of 24 hour commercial-free music. Music Choice offers a crystal clear, digital, CD quality sound of music formats including rock, Top 40, oldies, rap, gospel, blues, jazz, country, hip-hop, classical and more. If needed we can provide all your audio equipment and installation needs.

Music Choice is the perfect answer to the commercial business owner's needs with Satellite or Broadband delivery. Music Choice offers what you want to hear, when you want to hear it. Seasonal holiday programming is available at no additional cost ten times annually.
